24th May 2017

Dear Parents and carers

Our annual Healthy Living Week will be held during the first week back after half term, ending with our fabulous Sports' Day on Friday 9th June. Unfortunately this year the School Lunch Company are unable to provide a BBQ for our families. Hot school dinners will remain as oven baked breaded fish fillet or oriental Quorn wrap, but children will be served outside and will be able to eat with their parents. School Packed Lunches are also still available to order. Please pre-book your child's lunch via ParentPay **by midnight on Thursday 25th May**. Adults are very welcome to bring a picnic and join their children for lunch.

During Healthy Living Week all children should come to school in school PE kit every day - we have lots of activities going on and this means they can take part without wasting time changing. Please ensure that they are ready for all weathers during the week - hat, coat, sweatshirt, hoody, sun screen etc - so that they don't miss out on anything.

We will start the activities first thing in the morning. Year 6 Playground Leaders will be leading 'Wake up and Shake up' from 8.45-9am on the playground and Miss Stephens will be leading Cross Country running around our field. Please encourage your child to join in!

During the week we will also be holding some after school events for parents and children to attend together. On Thursday we would love your help with gardening - many of our outdoor spaces could do with some attention! If you have green fingers please do come along and help and if you have any of the following, please bring along to help make our grounds look lovely!

- ✓ Gardening tools
- ✓ Any spare plants!
- ✓ A wheelbarrow
- ✓ Energy and enthusiasm

On Tuesday 6th June we would like to invite all children to 'bring a parent to Choir' afternoon. Everyone is welcome to this fun singing session where we will all be learning a new song together. The choir will start at 3.05pm and end at 4.15pm. **All after school clubs officially restart on Monday 12th June - Friday 14th July 2017. During Healthy Living Week we only have the special events for parents and children after school. Please note that all children must be accompanied by an adult.**

We also have our Healthy Living Week homework - this year based on the work of artist Andy Goldsworthy. Please see the separate letter detailing the task and we look forward to seeing your child's creations!

And of course, you are all invited to join us for the Family Sports Fun Day where the children will be enjoying a range of team and individual races and events and of course, a delicious lunch! Please do bring rugs and gazebos and enjoy refreshments from the FODS tea tent while you are here. The children are all in teams for the day and should come in a coloured T-shirt so we can spot them easily. You will be receiving a Sports' Day booklet later this week which will give you all the information about the events during the day. Your child's team colour will be marked on the front of the booklet.

If you have any questions about the week please do ask and we hope to see you at some of the events.

Yours sincerely

Ms Sarah Nisbett
Headteacher
