

## Preparing Children for Life in Modern Britain

At Ducklington CE Primary School we take very seriously our responsibility to prepare children for life in modern Britain. We ensure that the fundamental British Values are introduced, discussed and lived out through the ethos and work of the school. All curriculum areas provide a vehicle for furthering understanding of these concepts and, in particular, our RE and PSHE learning and Collective Worship provide excellent opportunities to deepen and develop understanding. Children embrace these concepts with enthusiasm and demonstrate a good understanding of their application to their own lives.

The school makes considerable efforts to ensure children have exposure to a wide experience beyond their local community during which these concepts are shown through a wide range of sporting events, visits, visitors and use of outdoor education centres. The wide range of enrichment and activities, together with our Christian ethos and values, ensures that the children develop a strong values-based understanding and gives them an excellent platform for embracing difference.
