

Year 1 and 2 Home Learning Project

Term 3 - India

Home work this term is to make a model of ANY landmark, building, famous person, animals or monuments linked to India. You may create your project using any materials, e.g. paper-mache, salt dough etc. - there is no right or wrong way!

Here are possible ideas for you to choose from, but feel free to find something else...

- Taj Mahal
- Golden Temple
- Amber Fort and Palace, Jaipur
- Swaminarayan Akshardham, Delhi
- Siddhivinayak Temple, Mumbai
- Indian elephant
- Bengal tiger
- Ghandi
- River Ganges
- Traditional houses in India

...the list is endless!

We will be displaying our projects in the hall as a mini Indian museum. Please ensure your project is completed and sent in on Monday 6th February 2017 for children to share their work. We will also be inviting parents to visit our museum after school on Wednesday 8th February 2017. Look out for your invite coming home soon!

We can't wait to see your creations! Please ask your child's teacher if you have any questions. We are aware that there are siblings in year 1 and year 2 and we are more than happy for them to work together on a joint project.

Spellings/phonics/maths:

Home learning in term 4 will be focused on spellings and maths. If you would like your child to practise these skills more frequently, please refer to the websites on the overview in your child's home learning exercise books. Feel free to also refer to the topic web of curriculum coverage which is available on our year group website.
