

Maths

Maths homework will be set on the website Mymaths.co.uk.

Tasks will be set to practise and consolidate what we have been learning each week in class.

Homework will be set on a Wednesday to be completed by the next Monday. Children will have individual times tables to learn and a weekly test.

English

We are reading some aboriginal stories from Australia in class.

Do you have any stories from other countries or cultures at home or can you find some if you go to the library? It would be great if you could bring them into school or write a book review.

Skills to keep practising

Using a dictionary

Telling the time and working out time intervals

Year 4 Autumn Term 3 Homework Choices Topic: Australia

Science

Our topic is Living things and their habitats.

Can you find out about an Australian animal. Include some information about its habitat. Why does the animal you chose suit its particular habitat?

Topic

Can you make a model of a famous Australian building, place or animal?

Spelling

We will be working on the statutory spellings for Year 3 and 4. We have assessed the first spellings in school and your child will have a list of spellings to practise at home.
