24th October 2014

Dear Parent/Carer

The Department of Health have recently issued new guidelines for schools on supporting pupils with medical conditions and following this guidance we now hold an emergency Salbutamol inhaler in the school office. This inhaler can only be used by pupils who are already prescribed a Salbutamol inhaler and will only be used if there is a problem with their own.

As we currently hold an inhaler in school for your child I would ask that you complete the attached form giving us permission to use the emergency inhaler if required. Without your permission we would not be able to use it.

The school inhaler is for emergency use only and we still require your child's inhaler in school at all times. It is your responsibility to ensure that your child's inhaler is in date and in good working order.

If you have any questions please do not hesitate to contact the school office.

Yours sincerely

Sarah Nisbett
Headteacher
