Foundation Stage Open Day

Thursday 16th November 2017

9.30am - 2.30pm

Is your child due to start school in September 2018?

Please come and visit our working school during this day

Come and see the challenging and exciting learning experiences we offer at Ducklington

We are holding an open day for all parents and pre-school children to attend on

Thursday 16th November

This is an opportunity for you and your child to visit our school in action. You will

have the chance to visit classes, meet the staff and children and ask questions. The school lies at the heart of a pleasant community close to the church, village hall and duck pond. It serves the outlying villages as well as the village of Ducklington. We also have children from many different areas of Witney that have chosen to come to our school.

We are offering two drop-in times

9.30am - 11.30am
&
1.00pm - 2.30pm

Children welcome

Starting school is an exciting time and we believe in creating strong partnerships. We promise to give your child the best education possible and, with your help, we can ensure your child flourishes and reaches their full potential.

At Ducklington we recognise children as competent learners and place them at the heart of the learning process.

We deliver the curriculum through a well planned play based approach, fully considering individual strengths, interests and developmental needs.

'Good teaching in the Early Years Foundation Stage provides a strong base for children's future learning. Adults plan a wide range of opportunities, both inside and out of doors, to develop children's independence and acquisition of skills in literacy and numeracy.'

Ofsted September 2012

Working together

To help your child settle in easily when they start school we provide:

- Visits to pre-school settings
- Visits to school
- Opportunities to watch and join in activities
- Information evening and booklets
- Invitations to social and fund raising events
- A flexible and sympathetic admission procedure
- An active website with children's work and activities, links, newsletters, class pages and downloads at:

www.ducklingtonprimaryschool.org.uk

'Pupils achieve well in all subject areas because their learning is interesting.'
