

## Nursery Newsletter

No.2 5<sup>th</sup> April 2019

The value of the half term is: **Joy**

"There's joy and wonder everywhere when we see the world through the eyes of a child."

- Katrina Mayer

### Spring Has Sprung!

The children in Nursery have been busy little bees this half term! They have been talking about their likes and dislikes, showcasing their creative skills when junk modelling and beginning to learn some letters and sounds through phonics activities.

Now that Spring is here we will continue to look at how the weather changes and what this means for the plants and animals around us.

Next half term we will hopefully begin planting and possibly try to grow our own beanstalks!

### Reminders:

- \*Please only provide water in your child's bottle - juice is allowed for lunchtime.
- \*You may also want to consider applying sun-cream before school on sunny days as we will spend a lot of time outside.
- \*Be mindful of sweets in lunchboxes eg: marshmallows - we encourage healthy eating!

### Easter celebrations

The children really enjoyed learning Easter songs with Harriet and performing them at the village church alongside Reception. We also collaborated on an Easter activity afternoon where we made krispie cakes, bunny ears and even did an Easter egg hunt!

The staff in Nursery wish you all a wonderful half term break and we will see you back in school on Tuesday 23<sup>rd</sup> April.

### And The Winner Is...

The children in Nursery voted in the first week of this half term and the school teaching staff have also been voting for our class name. The winner is...

**Cygnets!**
