**Robins Year 4**  
**Autumn term 2019**

**Key Areas of Learning**

As **Historians** we will study the Romans in Britain. We will be learning about where they came from and what they did. We will be finding out about aspects of Roman life including art and craft, clothing music and homes.

As **Scientists** we will be learning about sound. We will also be finding out about different states of matter. We will be developing our investigation skills.

As **Musicians**, we will be learning play the guitar and putting our knowledge about making sound into practice!

As **writers** we will be using the book *The Thieves of Ostia* by Caroline Lawrence by Tony Bradman to inspire our writing. We will be learning how to create and describe characters and write about their adventures. We will use drama to explore characters and events. We will be writing some non fiction texts about everything we have learned about the Romans.
