

## Island Adventures Robins Year 4 Spring term 2019

### Key Areas of Learning

As **Geographers**, we will be learning more about using maps and atlases before creating our own island maps. We will be studying different islands and comparing their features.

As **Scientists** we will be learning about electricity and plan to have lots of fun investigating circuits. We will be finding out about living things and their habitats.

As **writers** we will be using the book *Oliver and the Seawigs* by Philip Reeve to inspire our writing. We will be learning how to create fantastic settings and plots for our stories.

### ENGLISH

#### Composition

Plan writing  
Draft and write  
Proof read and edit

#### Punctuation and grammar

Fronted adverbials, nouns and pronouns for clarity and cohesion, speech punctuation, apostrophes.
