Headteacher's Thoughts

As you moved around the village on Wednesday and Thursday, you may have spotted some of our Year 6 children on their Bikeability course. Thank you to the Windrush Bike Project for running the course as it is beneficial to develop the children's skills of staying safe when cycling on the road. Look out for group two next week. We are currently working with the Windrush team to organise some training for other children – we will keep you posted.

On the 6th October, we will be having our Harvest Festival in the church, which is very exciting as this will be first time for several years. As part of our Harvest giving, which will link with St Bartholomew's, we will be collecting food for the Witney Food Bank. The children can bring this on the day. The goods on the shopping list this year include

*** Instant coffee * Pasta Sauce * Soup * Tinned Tomatoes * Chocolate & sweets**

However, they have indicated they do not need any more tins of baked beans!

Final reminder, to check out the FODS 100 club (details below), the first draw will be on Monday 3rd October – so do take part if you can.

Mr. Leigh

Our Christian Value for this half term is:

Love

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs."

1 Corinthians 13:4-5:

Around the School

Ducklings have had an excellent start to the term. They have been involved in various activities whilst learning to explore the resources inside and outside. Here are just a few photos.

Making a chocolate crispy with meatballs, "We did good sharing".

"I coloured in a picture on the computer".

Taking turns to bat the ball to each other.

Sharing their ideas and creating their own game. Talking and listening to each other.

Nursery have had a lovely week learning about families. They shared their own family photos, made their stick family and built a house for them from wooden blocks. For their maths carpet time they compared and ordered different sized shoes and thought about who the shoes were for. They have also enjoyed some creative activities such as spray bottle painting, exploring loose parts and mark making in gloop.
