DUCKLINGTON C.E. PRIMARY SCHOOL

Starting Anew and Treasuring Six (SATS)
Red Kites – Year 6

Key Areas of Learning

As **Learners**, we have the enjoyment of SATS coming our way. Of course, we will be putting our best foot forward in all our efforts, making sure we are prepared for the tests. However, this doesn't mean we can't put our own spin on the acronym. This term, we will be taking on our normal lessons within the curriculum as well as looking back over the year and the children's time at the school, as well as the upcoming next chapter of their schooling lives!

As **Historians**, we will be looking at the range of famous Brits who have donned our paper money. We will then be looking into famous British people, discussing what they have done for the country or in their fields of work. This topic will culminate in a small project for the children to do some research and come to an idea who they would have as the face of the £10 note.

As **Writers**, we will be looking to finish off the year focussing on some non-fictional pieces from a detailed timeline on Ancient Greece to a non-chronological report on the Origin of species.

ENGLISH

- Detailed Timeline on Ancient Greece Non-fiction - Timeline -
- - The Origin of Species Non-chronological Report

MATHS

- Area
- Perimeter
- Volume
- Statistics
- Shape
- Position and direction

SCIENCE

- Biology – Adaptions
- Biology - Fossils

RE

- *Does belief in Akhirah help Muslims lead good lives?(1)*
- *Does belief in Akhirah help Muslims lead good lives?* (2)

MUSIC

- Music lessons with Mr Campbell
